TAN XIU LI, FELICIA

Year 2 IT Student @ Nanyang Polytechnic | Seeking 1-Year Internship

Profile

A dedicated Year 2 Information Technology student at Nanyang Polytechnic actively seeking a 1-year industry internship. Equipped with a strong foundation in Python, HTML5, and UX/UI design, I am passionate about engineering intuitive and user-friendly digital experiences. I bring strong project management and collaborative teamwork skills, ready to tackle real-world challenges in a fast-paced tech environment.

Work Experience

April 2024 - July 2024

W360 Group Pte Ltd

Digital Marketing Executive (Contract)

- Worked on my first major client project with NTUC LearningHub, designing EDMs, sales decks, and infographic materials.
- Designed website mockups and supported website development using WordPress for client projects.
- Attended client meetings to gather feedback, clarify requirements, and communicate design updates.
- Managed front-end and back-end website tasks, including content updates, backups, and basic maintenance.
- Assisted in setting up Google Ads campaigns for SEO and SEM initiatives.

September 2023 - April 2024

W360 Group Pte Ltd

IT & Digital Content Internship

- Created website mockups and supported related design adjustments based on client requirements.
- Designed advertisements for Google Ads, supporting SEO and SEM initiatives.
- Communicated with clients to gather feedback, clarify requirements, and provide project updates.
